Don’t Get Caught in a Worry-Web

“So don’t worry about tomorrow. Each day has enough trouble of its own. Tomorrow will have its own worries.” - Matthew 6:34

Trust Me...one day at a time. I understand this can be hard to do, especially if you are hurting. That is why I have sent My Spirit to help you. My Spirit is your tutor, living inside you and teaching you to trust Me. Take time to be still and learn from Him. Listen for His quiet voice and his gentle advice.

Trust Me is something you choose to do. When you worry about today and worry about tomorrow, those worries can crisscross in your mind. They create a web of worries that tangle up your thoughts and leave you confused. Don’t get caught up in that web. Trust Me to take care of you today and tomorrow.
